

SHOULD YOU CONSIDER A SALE LEASEBACK AS PART OF YOUR CAPITAL STRUCTURE?

Weber Wood Medinger has 20 years of experience in structuring Sale/Leaseback transactions for privately held/private equity owned businesses and micro-cap through mid-cap public companies.

Experience:

- 70 facilities sold throughout North America.
- \$475 Million in aggregate transaction value.
- 3,400,000 square feet total building area.
- \$2 Million to over \$50 Million transaction values.
- Single building and multiple property packages.

Let Weber Wood Medinger assist in identifying and unlocking your company's under-utilized capital.

We will review your owned real estate and provide an estimate of the potential net proceeds as well as detail on the sale leaseback process.
